& Bhartiya Vidya Bhavan, Bengaluru

Offer

## Preschool Education & Intervention - Classroom Practices

*Over the course of the Diploma, participants will be exposed to methods and strategies for early identification, informal assessment and planning classroom interventions for children with delays and difficulties.*

*The Diploma is a mix of theory sessions and Mentored Casework.*

Theory will include early childhood development and delays; scope and sequence of language and numeracy development; inclusive teaching practices for the entire classroom among other relevant topics. The casework spans 50 hours of practical work with the entire classroom under guidance from experienced resource persons.

Duration of  
Diploma -  
10 months

Theory classes  
every Saturday,  
1.30-5.00 pm

Practicals with  
experienced  
mentors

Max- 20  
students per  
batch
